VITALIS HEALTH GP MEMBERSHIP FEES

“I want to uphold and maintain the doctor-patient relationship. Here at Vitalis we have time and space to really get to the bottom of your health issues in an all-ecompassing, natural way.”

Dr Siobhan Graham
FOUNDER

What Is the Vitalis Health GP membership?

Vitalis Health's membership is a monthly payment plan which helps you spread the cost of your appointments. There is a fixed monthly membership fee, and in return you will receive a number of GP appointments for you and/or your family.

We also offer a GP PLUS membership plan which includes an annual health check and bloods along with other benefits.

Dr Siobhan Graham
FOUNDER

Vitalis Health Membership Plan Type & Fees Explained

Our Just GP membership scheme provides you with access to an agreed number of 30 minute GP appointments throughout the year plus other benefits. If you have no reason to see the GP you can use your appointments for an annual physical health check.

Through our GP Plus Membership, you have access to our 30 minute GP appointments, plus an annual full wellness health check, this includes wellness blood tests* plus many more benefits.

	Just GP			GP Plus		
	1	Duo	Family	1	Duo	Family
	£20 p/m	£39 p/m	£59 p/m	£40 p/m	£79 p/m	£99 p/m
GP Appointments Annually	2	4	6	2	4	6
Priority Booking	●	●	●	●	●	●
10% off procedures	●	●	●	●	●	●
Discounted Flu Jab for adults	●	●	●	●	●	●
Annual Wellness check bloods (for up to 2 adults)				●	●	●
Access to GP during holiday closure				●	●	●

*the health checks with bloods tests are available for up to two people in the family GP PLUS

Why Join the Membership programme?

Along with saving money, all members are given priority when making an appointment. Where no appointments are available, we will do our best to open an appointment for you, or offer a suitable alternative such as a telephone consultation. We aim to offer patients an appointment on the day of the enquiry, or within 24 hours.

Vitalis Health members will also receive discounted flu vaccinations, ear wax removal services, coil & implant contraception removal and minor ops services such as cyst and mole removal procedures.

Is my relationship with my NHS GP affected?

No, we encourage you to remain registered with your NHS GP. With your permission we can share your consultation information with your GP, however appointments can remain as private as you wish. Please note that we do not have access to your records with your NHS GP.

Do you provide appointments for Children?

Yes, we can see children from birth.

What if I can't attend the clinic?

If you are unable to get to our clinic, we can offer you a telephone or video consultation with one of our GPs.

How do I become a member?

Select the type of plan that is most suitable for you and complete the registration form and direct debit form. Once the forms have been returned you will be entered onto our system and free to make appointments. We will ask all patients to complete a medical history form.

Patient Contract

Vitalis Health membership is a contract under which Vitalis Health LTD will provide medical consultations, examinations, diagnostic and medical management services to patients who join us by signing this agreement.

The service will be provided at our premises in Merrion Business Centre, 58 Howard Street, Belfast, BT1 6PJ. The hours of provision are between 9:00 am and 5:00 pm Monday to Friday. We do not supply out of hours cover at the weekend or evening. If you require non-urgent medical care during out of hours please contact your NHS GP surgery or local Out of Hours service. In an emergency, please dial 999. For this reason we recommend you maintain your existing NHS GP registration.

Vitalis Health agrees to fully respect the needs of our registered patients. We undertake to practice within our capabilities and to refer to specialist practitioners where we deem appropriate. Facilities will be regularly monitored and

updated, with equipment being calibrated and serviced on a regular basis. In return for these services and facilities, registered patients will be charged the monthly fee on the 1st day of each month. (The monthly fee will be reviewed each year on 31st December and any change in fees will be notified to you) You can terminate this agreement by giving one month's notice in writing to us.

Vitalis Health is committed to protecting the privacy and security of personal data and the practice complies with The General Data Protection Regulation 2018 (GDPR). All information concerning your health will remain confidential. However, often information you give us may be recorded and may be shared in order to provide you with care. This will only be with permission from each patient. It may also be used to support local clinical audit and other work to monitor the quality of care provided, on an anonymous basis. If you have any questions regarding this, please do not hesitate to contact us at info@vitalishealth.co.uk.

Except in respect of death or personal injury caused by the Vitalis Health's negligence, Vitalis Health shall not be liable to the patient by reason of any representation or any implied warranty, condition or other term or any duty of common law or under the express terms of the contract for any consequential loss or damage (whether for loss of profit or otherwise), costs, expenses or other claims for consequential compensation whatsoever (and whether caused by the negligence of Vitalis Health, its employees or agents or otherwise) which arise out of or in connection with the performance of the services and supply of the goods or their use or resale or disposal by the patient except where expressly provided in these conditions. The company limits liability to the extent of the company's insurance cover.

Direct Debits with GoCardless

To collect our monthly direct debit payments, we work with GoCardless. GoCardless is a leading Direct Debit provider, processing over £5 billion in payments annually for more than 50,000 organisations around the world.

The benefits of paying by Direct Debit through GoCardless:

- You only need to set up payment once – Complete an online form and, unlike with a bank transfer, cash, cheque or card payment, you won't have to remember to pay next time. Which means no accidental disruptions to your service, subscription or membership.
- You won't ever need to update payment details – Unless you change bank accounts, you won't have to worry about updating your payment details either (unlike, if your debit card expires, or is lost or stolen).
- Paying through GoCardless gives you certainty – You'll know exactly how much you're paying and when it will come out, which can help with budgeting.
- With GoCardless you are notified that a payment is coming out in advance, giving you the chance to raise any issues about the payment.
- With Direct Debit, your payments are protected. For example, in the UK, you are fully protected under the Direct Debit Guarantee, meaning you have the right to cancel and receive a full refund for any payment taken in error.
- You can cancel the Direct Debit mandate at any time, for example, through your online banking, immediately stopping future payments (although this will of course affect access to your services).
- GoCardless is ISO 27001 accredited, (ISO 27001 is a widely recognised, internationally accepted standard for information security). It is also authorised by the UK Financial

Conduct Authority to provide payment services as an Authorised Payment Institution across the European Union.
